Reasons For Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record including Schwarz, Haslam, Lee, and Helenowski, singly or in combination failed to teach or suggest a recessed light assembly having a decorative trim or bezel including a motion detector as an integral part of the trim as presented in independent claims 1, 9, and 13.

Claim 1 is allowed because the prior art of record fails to teach or suggest a recessed light assembly having a housing, a decorative trim or bezel with apertures for lamp and motion detector being an integral of the decorative trim.

Claim 9 is allowed because the prior art of record fails to teach or suggest a recessed light assembly having a decorative trim or bezel with apertures for lamp and motion detector mechanism and designed to fit and retain itself and being an integral part of the decorative trim.

Claim 13 is allowed because the prior art of record fails to teach or suggest a recessed light assembly having a decorative trim or bezel with apertures for lamp and motion detector mechanism and designed to fit and retain itself and being an integral part of the decorative trim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
